IDOL'S OPENING

TLN - LUNAR ALWAYS REFERS TO HERSELF AS WATASHIGUMA BUT CORRECTS HERSELF AND SAYS WATASHI WHICH SUGGESTS THAT SHE SEES SHIRANUI AS AN EQUAL OR THAT SHE HAS TO PUT UP A FACADE

AFTER HOME-ROOM ENDS
AH... SHIRANUI-SAN, SINCE I AM THE CLASS REPRESEN-TATIVE...
I WAS WON-DERING IF YOU HAVE ALL OF YOUR TEXT-BOOKS?
AH... ACTUALLY, I STILL DON'T HAVE...

LACK OF SLEEP IS THE ENEMY OF BEAUTY!
SHE'S A LITTLE OFF FROM BEING "NORMAL" ...
IT WOULD NOT BE ADULT-LIKE OF ME TO TAKE BACK THE TEXTBOOKS I'VE ALREADY OFFERED...

ARE YOU CLOSE TO THE TWO OF THEM?
ACTUALLY, IT'S DUE TO THEM STAYING AT MY PLACE
NAGASUMI SAYS, "IT'S DUE TO"
"IT'S DUE TO", YOU SAY?
HMM? IT'S BECAUSE SUN-CHAN IS A DISTANT RELATIVE OF MINE..!

IF YOU DID THAT IN FRONT OF OTHER HUMANS AND SHE RETURNED TO HER MERMAID FORM... THAT WOULD BE BIG TROUBLE, WON'T IT?!
THAT'S RIGHT!
IF I DID THAT, SHE WOULD HALT HER EXPERIMENTATION ON SUN
WELL, I WOULD KNOCK OUT THE BYSTANDERS AFTERWARDS!
THAT WOULD FULFILL MY OBLIGATION TO HER, BUT I WOULD STILL USE THAT MATERIAL TO THREATEN HER!

USING THE PRETEXT OF THE "MERPEOPLE EXPERIMENT" TO SEPARATE THOSE TWO IS POINTLESS.

ALTHOUGH I SAID TO SEPARATE THEM THE "TRUE PURPOSE" WAS TO EXPOSE THEM
LOOKS LIKE STRONGER MEASURES WILL HAVE TO BE TAKEN...
STRONGER MEASURES?!
AREN'T YOU OKAY WITH A HUMAN AND A MERMAID WANTING TO MARRY?

Some translation notes for that 2 pages spread

Seto no Hanayome 26

Sun explains the reasoning behind ninkyou. It was hard to translate exactly, so I'll expound on it in a note. She explains jinkyou (仁侠), which, by its kanji, implies a human with a chivalrous spirit (It can also be read as ninkyou). Then she states ninkyou (任侠), which is similar in meaning to the above jinkyou (仁侠), but differs in the implied meaning of being entrusted with chivalry rather than a person with chivalry. Finally, she notes the similarly sounding words of ningyo (人魚) and ninkyou (任侠) and equates them, that being a mer-person implies being chivalrous.

Ninkyou means chivalry or heroism. As this series goes along, I'll use these two interchangeably as needed to fit the context of the chapter. Before, it was used as heroism to parody Bruce Willis' character in Die Hard. This time, it is more equivalent to chivalry rather than heroism.

TLN1: The Ikeda-ya or Ikeda Inn was the site of a famous incident between the Shinsengumi and the Ishinshishi.

TLN2: (in reference to the fish names) - In the Shinsengumi, there were three major factions. The Kondou, Serizawa and the Tonouchi faction. The Kondou faction finally prevailed. The three gill breathers modified their names after members of the winning faction. Buri-kata Toshizou -> Hijikata Toshizou. Aji-ta Souji -> Okita Souji. Magu-tou Hajime -> Saitou Hajime.

TLN3: The banner uses the kanji "Shin sangumi" which means the "Fresh Squad" rather than the "Shin sen gumi" which meant the "New people squad".

TLN4: The kanji on the guy's palm can be interpreted in several ways, I chose "Hand Palm". It can also mean "sole rule" as in the one rule.
